## How Do I View My Quiz Results?

1. To review your quiz results and feedback, navigate to your Gradebook by clicking on the grades button in the Navigation Drawer.

2. The following page will display your User Report. Your gradable activities will display vertically on the left-hand side and their scores will populate under the "Grade" column to the right.

3. Click on the quiz you would like to review your results for.
4. The following page will list each of your attempts in taking the quiz along with the time you completed it, your points earned, and your grade.

How Do I View My Quiz Results?

Objective FAT2K58001 Quiz

Time limit: 10 mins

Grading method: Highest grade

Summary of your previous attempts

| Attempt	State	Points / 5.00	Grade / 100.00	Review
1	Finished Submitted Saturday, November 10, 2018, 10:13 AM	2.00	40.00	Review
2	Finished Submitted Saturday, November 10, 2018, 10:14 AM	1.00	20.00	Review

5. To review detailed results of any attempt, such as which questions you got right or wrong and their correct answers, click the "review" option to the right of the attempt listed.

Attempt	State	Points / 5.00	Grade / 100.00	Review
1	Finished Submitted Saturday, November 10, 2018, 10:13 AM	2.00	40.00	Review

6. You will then be presented with the quiz as you had completed it. Your original answer choices will be selected, with a red 'X' for an incorrect answer and a green checkmark for a correct answer. Each question's correct answer is automatically displayed below the question.

Question 2
Incorrect
0.00 points out of 1.00
⚑ Flag question

The purpose of the blower motor resistor pack/block is to:

Select one:
