4. When the quiz opens, you will find the questions displayed in the center and an option to flag any given question on the left-hand side:

How Do I Take a Quiz?

The screenshot shows a quiz interface. On the left, a sidebar contains the text: 'Question 1', 'Not yet answered', 'Points out of 1.00', and a 'Flag question' button with a flag icon. The main area is a light blue box containing the question text: 'Tech A says that heat is removed from the passenger compartment by the heater core. Tech B says that heat in the cab is removed through by the refrigerant and is released to the outside air at the condenser. Who is correct?'. Below the question, it says 'Select one:' followed by four radio button options: 'A. Tech A', 'B. Tech B', 'C. Both A and B', and 'D. Neither A nor B'. At the bottom right of the main area is a dark blue 'Next page' button.

- Any flags may be tracked under the Quiz Navigation block to the right of the question. If a time limit has been applied to the quiz, it will also display at the bottom of this block.
- Select or enter your answer choice for the given question. Then, click the 'Next page' button to save your progress and continue. **Please note:** You may find more than one question to answer on any given page.

This screenshot is identical to the one above, but with a red box highlighting the 'Next page' button at the bottom right of the main question area.

- When you have reached the end of the quiz, you will see the summary page. Here, you may verify that you have answered all required questions and return to make changes if permitted by your instructor.
