Begin by logging into your account at cdxauto.com and navigating to your CDX home page.

Then, from the navigation on the left, click on the course that you would like to see quiz results for.

Then, also from the navigation on the left, click on the Grades option.

This will bring you to a page where you can review the grades you have received for all assignments in your course.

To see specific results for one quiz, click on that quiz.

Grade Item	Calculated weight	Grade	Range	Percentage	Feedback	Contribution to course total
ASE 0 - Safety and Foundation						
ASE 0 Pretests						
ASE 0 Course Pretest						
ASE 0 Course Pre Test	100.00 %	0.00	0-10	0.00 %		0.00 %
ASE 0 Course Pretest total	50.00 %	0.00	0-10	0.00 %		-
ASE 0 Chapter Pretests						
Chapter 1	50.00 %	10.00	0-10	100.00 %		0.00 %

This will bring you to a page that displays a list of your attempts and will allow you to re-attempt the quiz if you still have usable attempts, or continue the last attempt if you have an in-progress attempt.

Highest grade: 0.00 / 10.00.

If you would like to see feedback for a quiz attempt, click on the Review option next to the attempt.

This will bring you to a page where you can view assignment feedback based on what feedback your instructor has enabled

Commonly, you can see when you made the attempt¹, how long you spent in the attempt², the grade you received³, and the questions you were asked. If your instructor has allowed it, you can also see what the correct answer should have been for questions you got wrong.
