To access your course content click on the course you would like to access under the Course Overview list.

This will bring you to the Course Home page for that course.

From here you can access any **announcements**¹ your instructor has created, the **Pre-test**² and **Final Exam**³, and the **Tasksheets** for this course.

To access chapter content, simply click on that chapter from the chapter list.

The screenshot displays the CDX Learning Systems interface for the 'ASE 0 - Safety and Foundation' course. The sidebar on the left lists various navigation options, including 'ASE 0 - Course Home', 'ASE 0 - Tasksheet Assignments', 'Dashboard', 'Calendar', 'Private files', and 'FAT Online Courses'. The main content area is titled 'ASE 0 - Safety and Foundation' and shows a list of course items. Red circles and numbers 1, 2, and 3 highlight specific items: 1 points to 'Announcements', 2 points to 'Chapter 1: Careers in Automotive Technology', and 3 points to 'Chapter 1 Test'. A hand cursor is shown clicking on 'Chapter 1: Careers in Automotive Technology'.

This will bring you to a page that contains all CDX Materials for that chapter.

Each chapter contains a **Pretest¹**, **Knowledge Areas**, **Chapter Resources²**, **Media Gallery⁴**, and a **Post test²** for each section of the chapter.
