By default, quizzes and tests will appear one question at a time
Select the answer and then click on **Next Page**.

Additionally, you can skip directly to another question by clicking on the question number from the **Quiz Navigation Menu**¹.

When you have completed all questions, click on the **Finish Attempt** option.

You will be brought to a Summary page that shows whether you have selected an answer for each question.

The screenshot shows the CDX Learning Systems interface for a quiz titled "Fundamentals of Automotive Technology Online". The page displays a list of 10 questions, numbered 11 through 20. Each question has a status of "Answer saved". At the bottom of the list, there are two buttons: "Return to attempt" and "Submit all and finish". A red circle with the number "2" is placed over the "Submit all and finish" button. The top navigation bar includes the CDX Learning Systems logo, the course title, and user information: "Student1 Demo Student1 Demo". The bottom footer indicates the user is logged in as "Student1 Demo Student1 Demo" and provides a "Log out" link.

If you have not, you can click on the **question number¹** to go back to that question. If you have answered all questions, scroll to the bottom of the page and click **Submit all and Finish²**

Your assignment will be submitted and automatically graded.

If your instructor allows student feedback, you will be able to see the amount of time you have spent on the assignment, the grade you received, and which questions you answered correctly and incorrectly.
