CDX FAT Online contains Lecture Outlines, containing important highlights for all chapters of the textbook.

Begin by logging into your account at cdxauto.com and navigating to your CDX Product.

Then, click on the course that contains the chapter you would like Find and Use the Power Point Presentation from the navigation on the left.

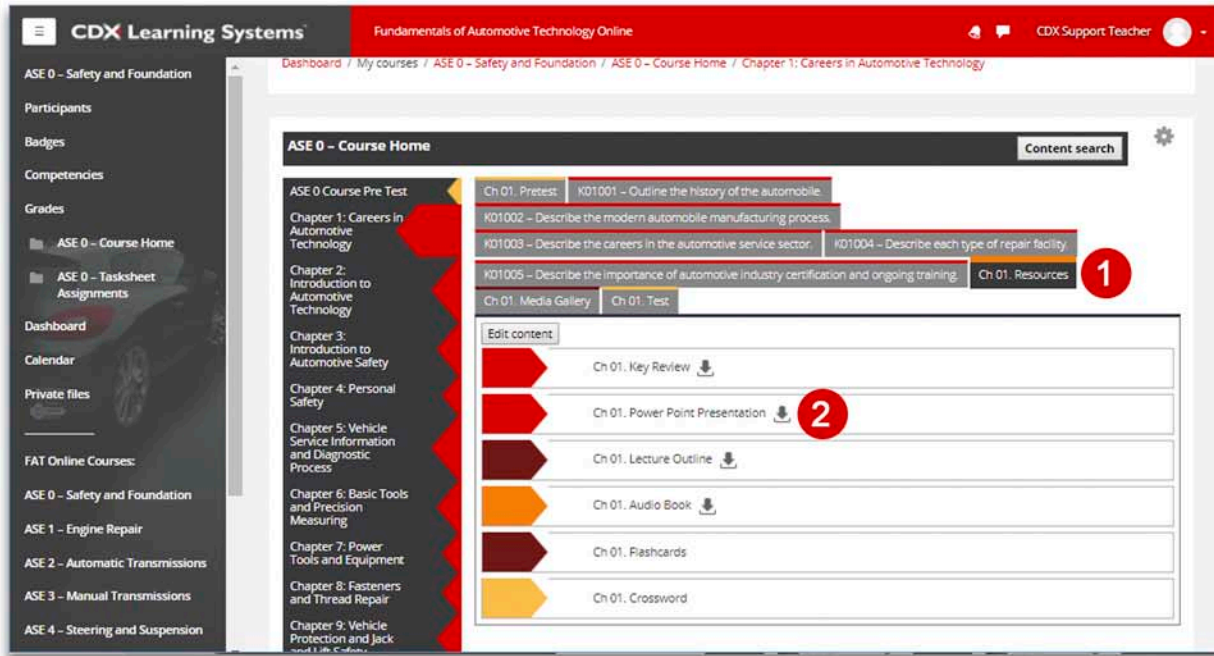

This will bring you to a page with all the chapters down the left with the sections of the currently selected chapter across the top.

Near the end of each chapter you will see a section called Resources[1]. Click on that option to see the resources for each chapter.

Under Resources you will find an option for Power Point Presentation. Click on the Power Point Presentation link[2] to download it as a Power Point File.

These chapter Power Points can be used in your class, or you can distribute the file to your students if you'd like
