

Changing Quiz Settings in your MLR2014 CDX Course

1. Navigate to your CDX site page, and log in to your instructor account.
2. Your CDX site will have a separate gradebook for each course section. Navigate to the course section that contains the quiz you would like to see by clicking on that course section from the list found under the heading My Courses.

3. This will bring you to the course home page for that course. Find and click on the quiz whose settings you would like to modify.

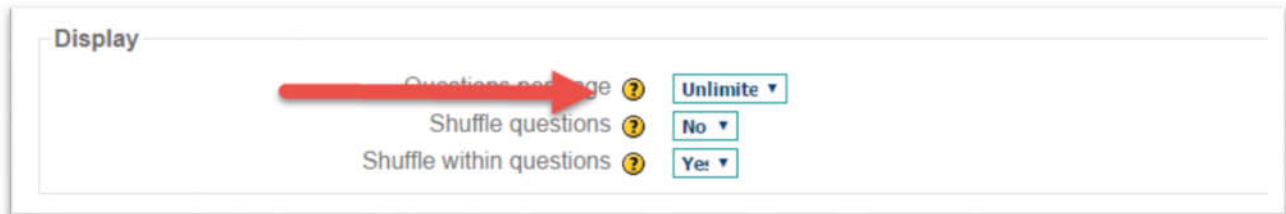

4. This will bring you to a page with all options for that quiz. To change Quiz settings find and click on the Update this Quiz button at the top right side of the page.

5. This will bring you to a page where you can change any of the settings for that quiz.

6. If you are not sure what an option is used for, clicking on the yellow Question Mark button next to that setting will open a new window that contains an explanation of that option.

7. Once you have changed all settings that you would like to change, navigate to the bottom of the page and click on the Save and Display button. This will save the settings changes that you have made and bring you back to the quiz page.
