Log into your site with your teacher account.

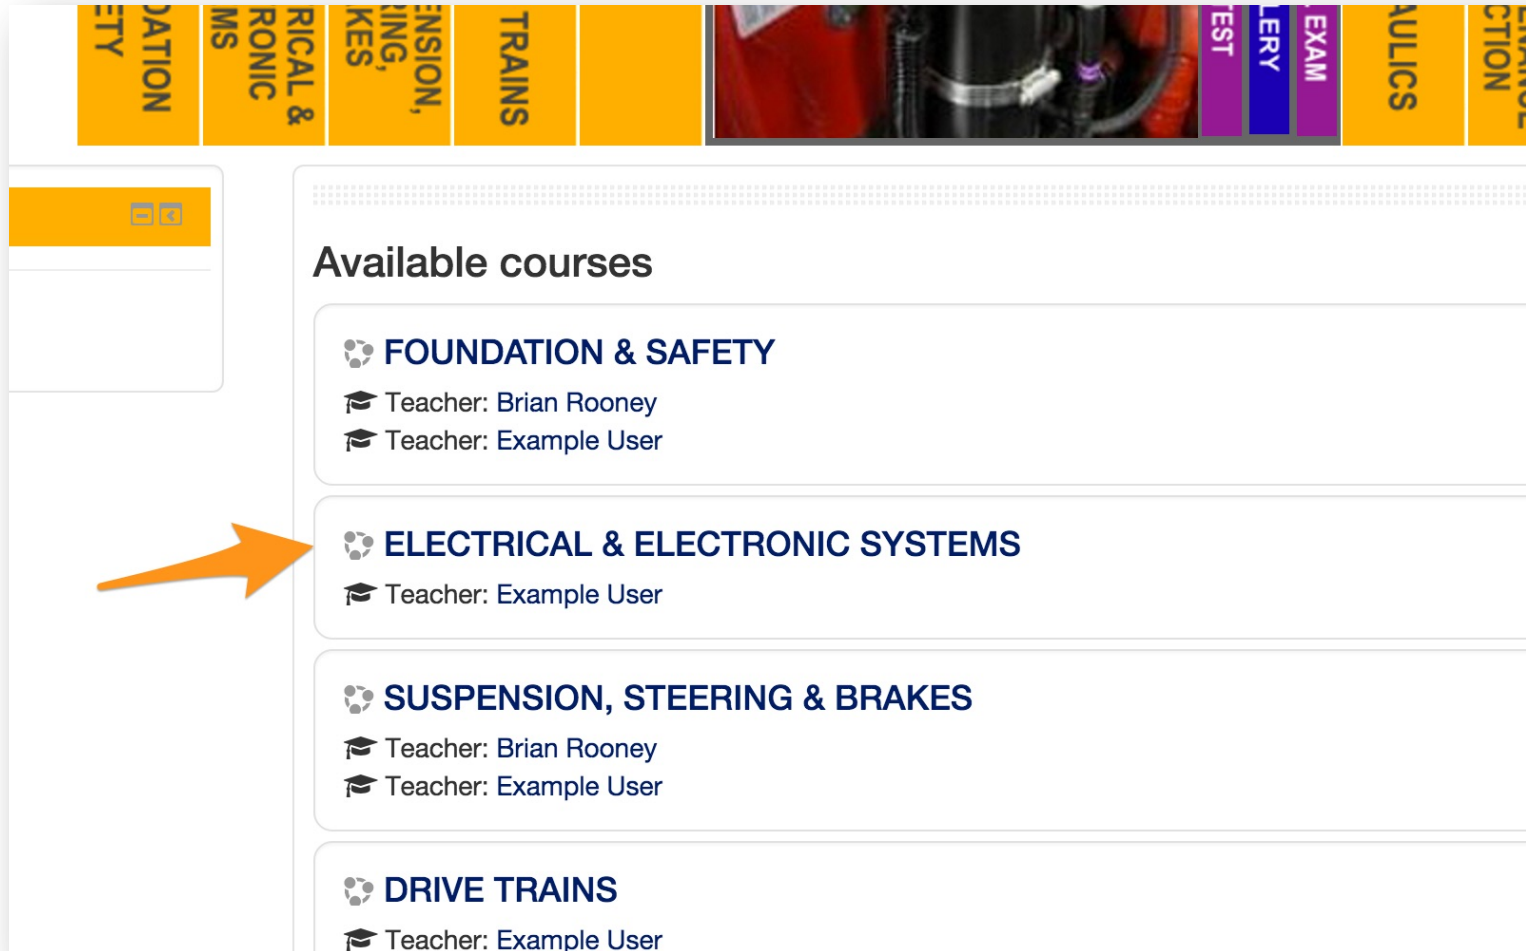

The screenshot displays the CDX Automotive website interface. At the top right, there is a "Log in" link with a right-pointing arrow icon. Below this, a yellow banner features the text "HEAVY VEHICLE". A red arrow points from this banner towards the "Log in" link. The main content area includes a vertical navigation menu on the left with five items: "3 SUSPENSION, STEERING," "4 DRIVE TRAINS", "5 HVAC", "6 HYDRAULICS", and "7 PREVENTATIVE MAINTENANCE INSPECTION". To the right of this menu is a large image of a truck on a lift, with the text "PREVENTATIVE MAINTENANCE INSPECTION" overlaid. Below the image, there are two vertical purple buttons labeled "Course PRE-TEST" and "Course FINAL EXAM". At the bottom of the page, a white box contains the text "Available courses".

After logging in, select the course you wish to add an item to.

The screenshot displays the CDX Automotive Training Library interface. At the top, there is a horizontal navigation bar with several tabs: 'FOUNDATION & SAFETY', 'ELECTRICAL & ELECTRONIC SYSTEMS', 'SUSPENSION, STEERING & BRAKES', 'DRIVE TRAINS', 'EXAM', 'ALYER', 'EST', 'AULICS', and 'CTION'. Below this, on the left, is a sidebar with a search bar and a list of course categories. The main content area is titled 'Available courses' and lists four courses, each with a gear icon, a title, and a list of teachers. An orange arrow points to the 'ELECTRICAL & ELECTRONIC SYSTEMS' course.

Course Title	Teachers
FOUNDATION & SAFETY	Teacher: Brian Rooney Teacher: Example User
ELECTRICAL & ELECTRONIC SYSTEMS	Teacher: Example User
SUSPENSION, STEERING & BRAKES	Teacher: Brian Rooney Teacher: Example User
DRIVE TRAINS	Teacher: Example User

In the upper right of your course, click “turn editing on”.

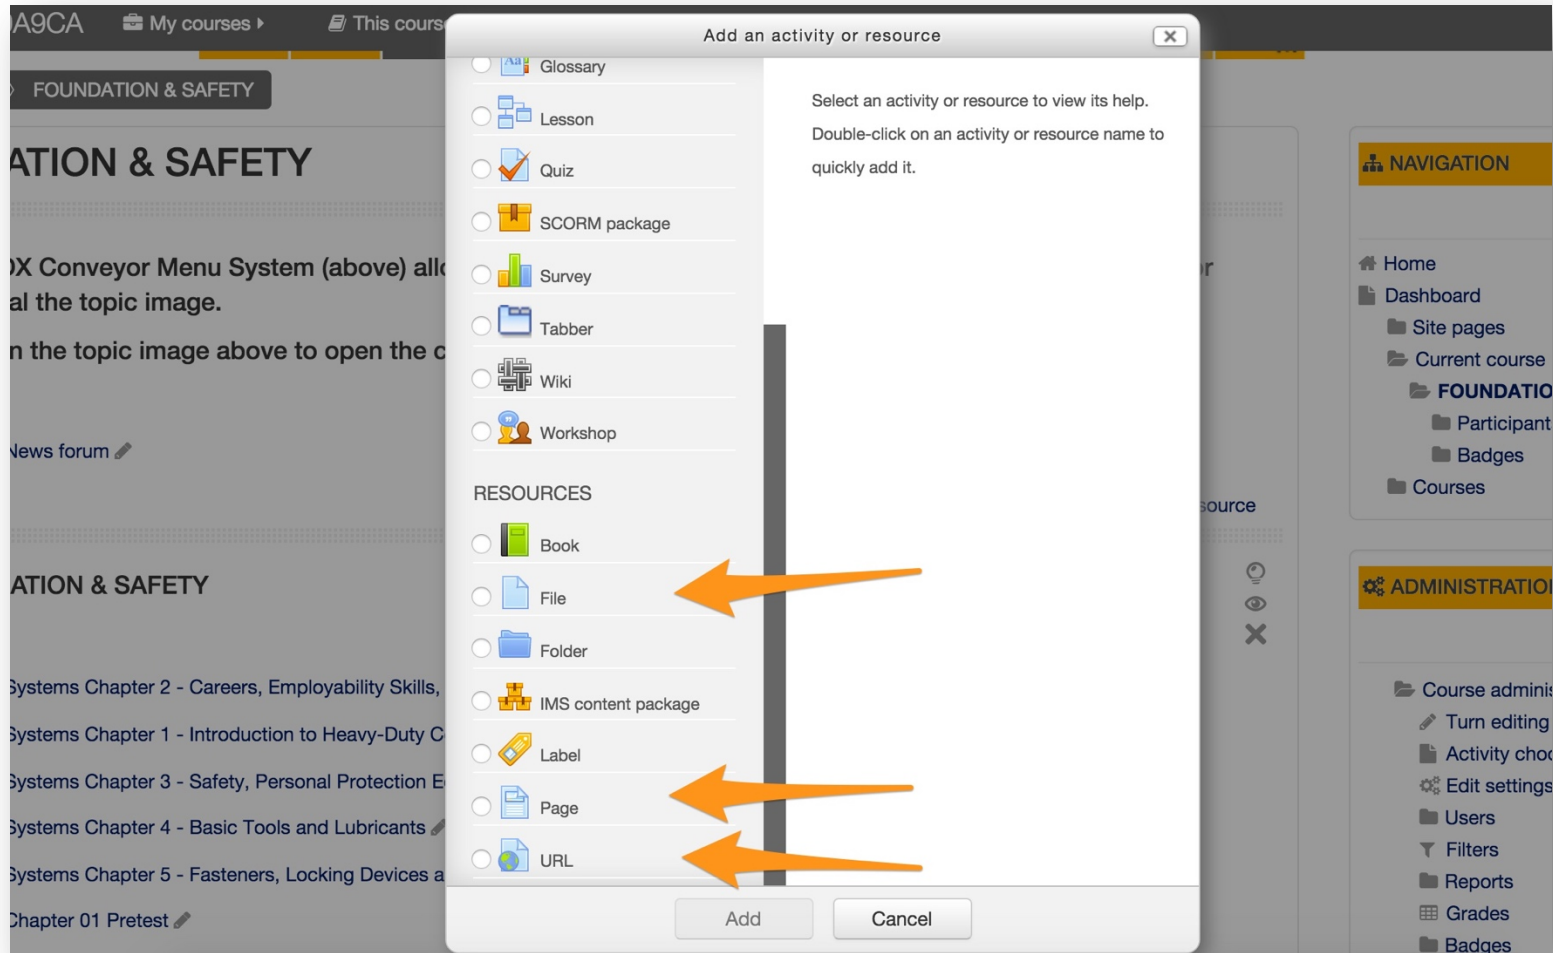

The screenshot displays the CDX Automotive training interface. At the top, there is a navigation bar with a video thumbnail labeled 'Shafts & Axles' and several vertical menu items: 'E-TEST', 'ALLERY', 'AL EXAM', 'C', 'RAULICS', and 'VENTATIVE ITENANCE ECTION'. Below the navigation bar, the main content area is mostly blank, with the text 'lect a topic by moving your mouse over the' visible on the left. On the right side, there is a sidebar with two main sections: 'NAVIGATION' and 'ADMINISTRATION'. The 'NAVIGATION' section includes a list of links: 'Home', 'Dashboard', 'Site pages', 'Current course', 'FOUNDATION & SAFETY' (with sub-links for 'Participants' and 'Badges'), and 'Courses'. The 'ADMINISTRATION' section is partially visible at the bottom. A large orange arrow points from the top right towards a green button labeled 'Turn editing on'.

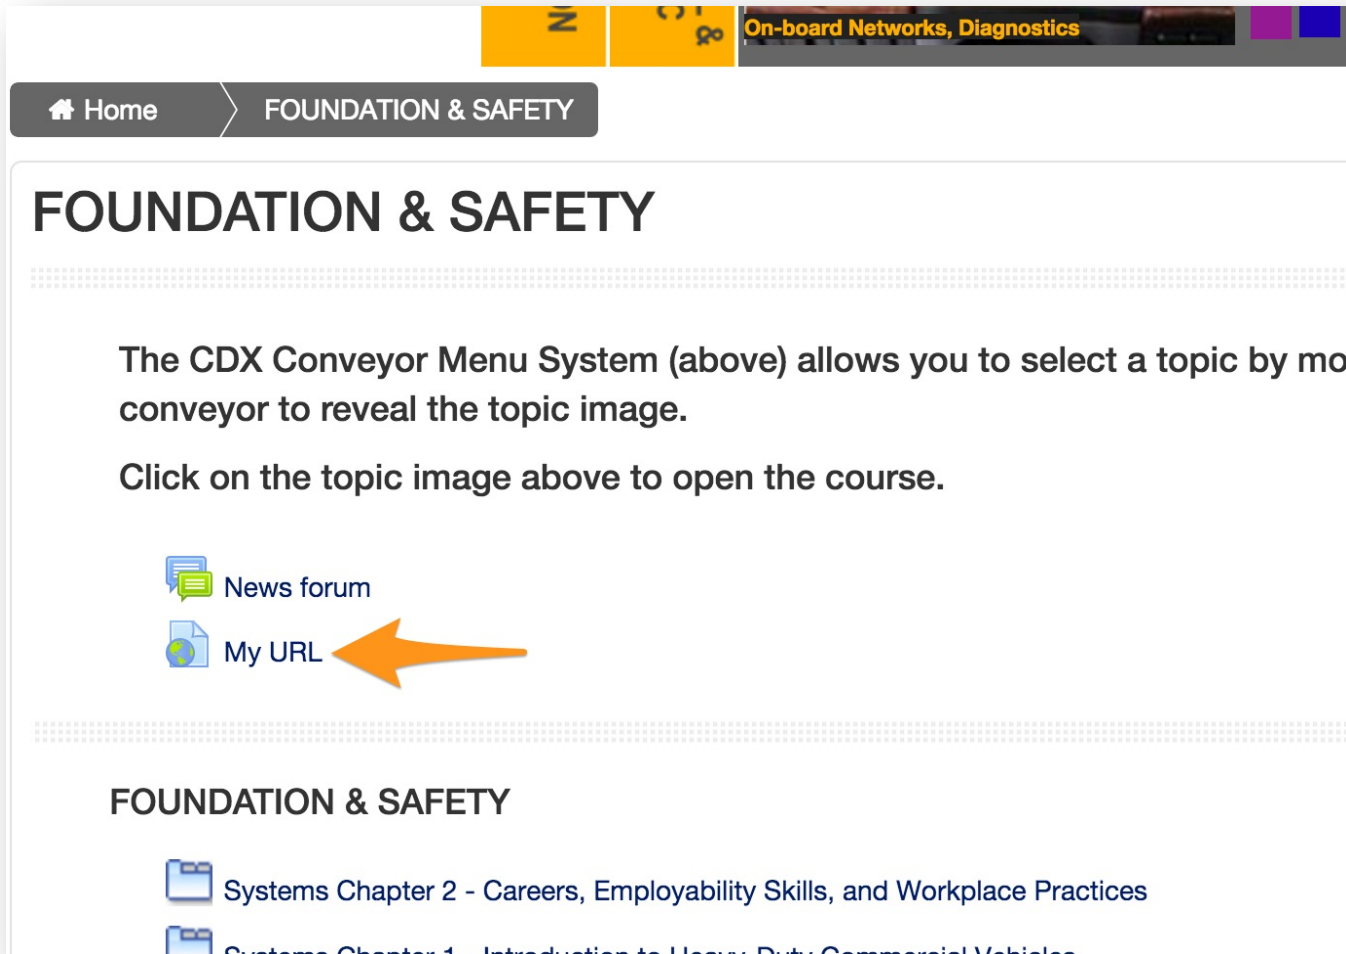

After turning editing on, you can now click “Add an activity or resource”

The screenshot shows a Moodle course page in edit mode. An orange arrow points to the '+ Add an activity or resource' button. The right sidebar contains a navigation menu with links: Home, Dashboard, Site pages, Current course, FOUNDATION, Participate, Badges, and Courses. Below this is an 'ADMINISTRATOR' section with a gear icon and links: Course administration, Turn editing on, Activity choice, Edit settings, and Users. The main content area shows a list of topics with 'Edit' links next to them.

This menu will allow you to choose from a variety of items, from webpages to files.

Once you add your item, you will see it on the course homepage.

The screenshot shows a web interface for a CDX Automotive course. At the top, there is a navigation bar with a 'Home' button and a 'FOUNDATION & SAFETY' tab. Below this, the main heading 'FOUNDATION & SAFETY' is displayed. A paragraph explains that the CDX Conveyor Menu System allows users to select a topic by moving a conveyor to reveal a topic image. It instructs users to click on the topic image to open the course. Below this text, there are two items: 'News forum' with a speech bubble icon and 'My URL' with a globe icon. An orange arrow points to the 'My URL' icon. Below these items, the heading 'FOUNDATION & SAFETY' is repeated, followed by two course items: 'Systems Chapter 2 - Careers, Employability Skills, and Workplace Practices' and 'Systems Chapter 1 - Introduction to Heavy-Duty Commercial Vehicles'.
